Send a little love
this Mother's Day

Flowers are nice, but nothing says
"You're the best mum ever" like a
handmade card. We've even created
a collection of print-at-home cards to
help get you started.

Make a super cool Mother's Day card

Whether it's mum, step-mum, grandma or anyone else you're celebrating this Mother's Day, they deserve a handmade card. Just add imagination.

Step 1.

Print out your favourite card. There are 3 awesome designs to choose from.

Step 2.

Fold your card down the middle carefully.

Step 3.

Add some colour using felt tips, crayons or whatever you have in your pencil case.

Step 4.

Get creative! Decorate your card with anything you can find.

Step 5.

Write something lovely inside.

A few handy ideas

cuddles
like you

A little extra something to do together this Mother's Day:
write down all the brilliant things about your mum.

ALL ABOUT MY MUM

These are her
favourite
colours

Songs we like to
sing and dance to

She is the best at...

Mum's
favourite
flowers

Her favourite food is...

I love her so much
because...
